# GNIC®

# Online Exam Directives

PREPARING YOUR EQUIPMENT

# Testing your equipment

Before taking your exam, you should test the correct functioning of your equipment, such as the webcam and the security settings on your device.

This presentation provides guidelines to execute this task. Please follow the instructions to get a positive result and avoid stressful moments when taking the exam. Be prepared.

The following link provides the instructions of a step-by-step overview of the starting process of an exam in full screen mode, which requires video recording as a surveillance method and accessed with an invitation code. The next slides give you the same overview, showing actual screenshots.

https://info.testinvite.com/help/step-by-step-starting-process-of-an-exam-in-fullscreen-mode-which-requires-video-recording-as-a-surveillance-method-and-accessed-with-an-invitation-code/

If you are running mac OS Catalina 10.15 or later, you have to grant permission to your browser (Google Chrome) on your System Preferences, in order to capture and share screen recordings with Test Invite. You can find specific instructions on this topic here:

https://info.testinvite.com/help/how-to-enable-screen-recording-with-macos-catalina-10-15/

When you click on the link to your exam you will get this page

# Hello Peter

This test is a **closed book** questionnaire regarding the **2018 version** of the ISO 31000 Risk management - Guidelines standard, which is the **reference document** for this test.

As this is a closed book exam, you need a PC, Laptop or Tablet with a webcam. Your screen will be blocked in full view and your webcam will monitor whether you follow the closed book restriction.

The test consists of **80 multiple choice questions** and must be completed in **90 Minutes**. So make sure you have a **reliable internet** connection when performing this test.

**This test is specifically designed to assess your knowledge and understanding of the ISO 31000:2018 Guidance Standard on a foundational level.**

You need to obtain 75% to pass the exam and to obtain your CRMF certification.

CRMF® stands for *"Professional Certified in Risk Management in accordance with ISO 31000 - Foundations level"*

Good Luck!

**ISO 31000 Certification (English) 80Q - 2022**

This is a Global Network for Independent Certification (GNIC) ISO 31000 certification test - Foundations level

The test consists of **80 multiple choice questions** to be answered in **90 minutes**

This test requires monitoring through your webcam
During the test your photos will be taken automatically through your webcam
Ensure that your webcam is turned on, working properly and placed well
Do not sit too close to or too far away from the camera. Position your webcam far enough away to capture your shoulders and your entire face with some room to spare
Ensure that there is a good light source
Your webcam should be active during the test
It is under YOUR responsibility to ensure that photos are taken properly
Read the instructions and click "I understand, open my webcam" to proceed
I UNDERSTAND, OPEN MY WEBCAM
